**MEMBER ACKNOWLEDGMENT AND
ASSUMPTION OF RISK AGREEMENT
(HOLD HARMLESS AGREEMENT)**

I, the undersigned, am a member of the Concord Ski Club. I understand that the Concord Ski Club is an incorporated mutual benefit corporation (a California non-profit organization) composed of people of all ages with a shared desire to participate in a wide variety of social and recreational activities with an emphasis on sport and sporting activities, including but not in any way restricted to skiing. I understand that the officers, directors, members and guests of the club gather together in various combinations of individuals at various times to implement and facilitate a wide variety of group activities which may be reasonably well organized, loosely organized or simply by designations of times and places to facilitate casual social gatherings of interested members and guests. I understand that those individuals who accept the responsibility for organizing or facilitating club activities, including those members who volunteer their homes or arrange other locations for activities, are volunteer non-professionals who are in no way themselves out to be expert at or have superior knowledge of any matter related to those activities.

Because I understand the voluntary, social nature of this club, I agree to elect to participate or not to participate in any or all of the club activities open to me based on my personal desire to socialize and have fun, and I will not participate in any activity based on any notion or reliance upon superior knowledge, leadership or guidance. I understand the club does not recommend or evaluate individual activities. I understand it is my sole, personal responsibility to judge the suitability of my presence at or participate in any particular activity, especially my fitness to engage in any sport or physically strenuous activity, and I agree to be personally responsible for the exercise of this responsibility at all time for myself, my guests, and any of my children.

In summation, I hereby expressly assume all risk associated with my attendance at or participation in any club related activity and I will hold the Concord Ski Club, the board of directors and officers or agents, the organizers and participants of any club-related activity, and the general and individual membership completely free of responsibility or liability related to my presence at or participation in any club related activity.
